

Sponsored Spays Foundation

Need Financial Assistance for Spaying or Neutering Your Pet?

You're not alone- and help is available!

Our program aims to remove the financial barrier that keeps many owners from accessing spay and neuter services.

Apply today!

Want to Sponsor a Pet's Spay and Neuter?

Did you know?

An average of 2,500 healthy and adoptable pets are euthanized in shelters every DAY (920,000 a year) simply because shelters are overcrowded.

By sponsoring a spay or neuter, you become a hero to a pet and their family- preventing unwanted litters, strengthening the community, and saving lives before they ever enter a shelter.

Sponsor or Donate Today!
